

Newsletter 11 19th July 2019

Work hard, Have fun and Make a difference!

Dear Parents and Carers,

Welcome to the last newsletter of this academic year. Time flies when you're having fun! Our children have the most wonderful team of staff; planning, supporting and caring for them and I know that they enjoy their school days and their learning. Enjoy the news as we have lots to celebrate.

Facebook

We are going to be closing down the old pages on facebook over summer and starting a new one in September which we will use to promote the school.

School Meals

Due to Brexit uncertainty with the export and import of goods including the cost of food steadily rising the cost of a school meal is at its highest, therefore we will be increasing the cost of a school meal to £2.50 per day from September.

Fee, Fie, Fo Fum!

Classes 3 and 4 put on a splendid show this week, and really are a credit to you all. The singing was outstanding, and the casting was inspirational! Well done and thank you to Mr Bealey and all staff and parents involved in putting the production together.

Here is a reminder of how great our shows are.

May we politely remind you that we only give consent for you to post school photos of your own children on social media sites. Thank you.

Thank you from Mrs Bryan

A BIG Thank you from Mrs Bryan to all the parents, governors, staff & pupils that very kindly gave her gifts and good wishes on her retirement.

School Results 2017 – 18

Key Stage 2 - Year 6

Once again our children in Year 6 have worked incredibly hard to challenge themselves and have impressed us with their SATS results, which are in line with the National Average for Reading, Writing and Maths combined. We were particularly impressed with the Reading progress this year – congratulations Year 6.

Many congratulations to Year 6:

Henry, Tilly, Isabelle, Ben, Luca, Joshua, Martha, Neve, Keira, Paige, Rafi, Bradley, Evie, Charlie & Thomas.

We know you are all ready for secondary school and we wish you all the very best for your future!

School Uniform Reminder

Thank you for providing black school shoes for children to wear during the school day. Our only uniform supplier is online at www.school-shop.co.uk, although we can order from school for you if that is helpful. The last two weeks in August is their busiest period, so please avoid that time if at all possible. Here is a reminder of what the school uniform is:

- 😊 Blue sweatshirt/cardigan
- 😊 Yellow polo shirt
- 😊 Grey or black trousers/shorts/skirt/pinafore
- 😊 Wellies & school shoes (black leather) that are easy for the children to remove
- 😊 Waterproof coat
- 😊 Water bottle
- 😊 PE kit (white t shirt, black shorts, plimsolls or trainers)
- 😊 Clothes to wear for PE during colder months include tracksuit bottoms and another top.
- 😊 A bookbag and PE bag are provided by the Friends of Bugthorpe School

Agora – Online payments

Thank you to everyone that pays money to school using this system, it really helps us out especially

now as it is getting more difficult to pay cash (especially coins) in at the Post Office. If you still haven't signed up to the system and would like to, please see Mrs Sunderland and she will provide you out with a code for doing so. Could we please ask that when paying on Agora that you select the correct heading ie: for Music Tuition, After School Club, Dinners & Nursery. Please pay all items individually; don't combine as 1 payment as this complicates the school budget. The system will only ever show you the amount owed for dinners up to the day they are inputted. The other sections will show 0.00 as they are not linked electronically, so please just pay the amount shown on your bill. Thank you so much.

Home Time Confusion

The teachers have asked that parents let them know when arrangements for collecting your children are different from normal at home time. We have had a number of cases where parents say they are taking other children home, but the other parent has not let school know of this change in collection from school. For safeguarding reasons we are not allowed to let children go home with other people unless we have been informed. The children will be kept at school if they are booked into After School Club or will be sent home as normal unless we have been informed.

After School Club

It is a huge help if we know who is attending ASC each night, this is so that we can make sure we staff the club accordingly. Please help us with this by making a booking in advance.

What have you done today...?

At school we develop positive, polite, caring, team-spirited and accomplished children

who grow in confidence and ability during their years with us.

I am always extremely proud when I hear comments from our trips out of school. Most recently our children took part in the 'Little Brid Sing' and "Go Ape" and the comments from members of the public and teachers from other schools speak volumes about our children and their Christian values. They are exemplary in their manners, conduct and are caring of others. I know you are equally as proud.

Bye for now... againto the 'Marvellous Mrs Miller' ...

The staff team and our children want to say a great big thank you to Mrs Miller.

We wish her every success in her future plans.

She has worked so hard with us and always with love and a smile. We know she will be in school again.

September Reminders

A reminder for your child to be ready and organised for each school day by making sure they have a water bottle and book bag/school bag with them each day. Please ensure these are **NAMED**! It is also a good idea for your child's reading diary and reading book to be kept in their school bag at all times.

Arrivals to School

Thank you for making sure that your child doesn't arrive at school before 8.45am unless of course they are using the breakfast club.

Reminder

Mr Rose's Summer Sports Camp next week is filling up fast if you would like to book your child in please contact him directly on 07432134279 or jakerose_97@hotmail.com as soon as possible.
