Healthy Tuck Shop @Bugthorpe @Sutton

As part of our work on the Eco-Schools Award, and listening to Pupil Voice, we are going to start running a healthy tuck shop in school. Any small profits, if any, we go towards more seeds to grow produce for our market stalls and any school events in the summer term e.g. Team Challenge Day resources. I am currently working with the Team Point Team Captains to look at what products we can buy to sell at our Healthy Tuck Shop. **More details will then follow regarding items for sale, prices and opening times!**

Circus Day for both Schools @Bugthorpe @Sutton

Both schools had a great time, last week, learning about perseverance through circus skills. It is great to

hear that some children were inspired and have asked for certain resources like diablos to be bought for practising at home!

Class 3 Trip to Murton Park @Sutton

We had a brilliant day at Murton Park, and the weather was also kind to us; I was lucky enough to go with Mrs Stephenson and Class 3. We started the day by learning about the timeline of History, involving the Stone Age. I was so impressed by the factual knowledge and vocabulary used by our children; the Historians at Murton Park were also blown away with the answers we gave. We then went outside and enjoyed a series of activities including: hunting for food, including throwing spears, weaving clothes, grinding grain to make flour, pottery making and drawing/observing artefacts. The day was brought to an end in a round hut with the retelling of the story of [Otzi the Iceman, who was found in Italy in 1991!](#)

PTFA 2022 Challenge @Sutton

To kick start our year of fundraising to further enhance our school and our children's educational experiences we are pleased to introduce the 2022 Challenge.

During the month of February we are encouraging our pupils to raise £20.22. You can do this individually or as a family. The challenge you set and how you raise the funds is up to you.

You could use the number 22 to inspire you. You could do 22 laps of the village on your bike, help your family with 22 jobs, bake and sell 22 cupcakes, do a 22 minute dance routine or skip for 22 minutes.

We cannot wait to see what creative ideas you come up with to help raise funds. Whilst £20.22 is the target there is no minimum amount needed to join in, and no maximum should you raise more. Please return all forms and funds raised to School on **Monday 28th February**.

Everyone who takes part will receive a certificate and we will would love to share pictures of your amazing efforts, so please do share them with us.

Thank you for your support

Parking outside of school @Sutton

We have had complaints of cars blocking driveways of houses at pick up time. Residents may resort to inviting a PCSO to attend if the situation continues. Please park considerately at all times. Thank you.
