SPRING TERM 2022

Newsletter 12 – 18/3/2022

The following messages are for both schools:

Ofsted Inspection Update @Bugthorpe @Sutton

13 school days, including 3 on residential, between inspections! This week we had two Ofsted inspectors visit Sutton; they were equally impressed with our curriculum and how we instil a love of reading from a young age. This time they focused on Maths and believed that our children enjoy the self-service of additional challenge in lessons, which they relish. They commented on the fact we are a 'real' Federation; with staff moving across sites to talk in detail about practice. We are looking forward to sharing the published reports with you in the coming weeks to celebrate our successes. Mrs Ross, our Chair of Governors, is going to write a report from the Governors perspective too, as usually the verbal feedback from Ofsted that we received, is diluted for the final published report.

Class 4 Residential at Robinwood @Bugthorpe @Sutton

Activities from 9am until 9pm; we had such a fun time. Everyone behaved impeccably and really shone for our schools. The Course Leader, Dom, was so impressed with how many children challenged themselves and achieved what they set out to do. We look forward to going back in 2024!

The children will be receiving a personalised certificate and group photo from Robinwood!

We have our sponsored walk on Friday 8th April, which is open for the community to join us. We will be heading through the fields and finding a convenient place for a picnic – let the sun shine down on us! Sponsor money will go towards a new defibrillator for our end of the village.

Indoor Plimsolls @Bugthorpe

Thank you for those who have responded regarding the option of adding indoor plimsolls to the uniform list. 50% of parents were for and 50% against. If anyone else would like to

submit their views, please do so by Monday, before I meet with the Team Captains to discuss the way forward. Many thanks.
